

BCWD 2026-2035 Watershed Management Plan Initial Planning Meeting

Tuesday July 9th, 2024

Meeting Purpose

To revisit what is in the previous (2017-2026) Watershed Management Plan and preliminarily identify what should be addressed in the updated (2026-2035) Watershed Management Plan. This meeting will be held in two parts. The first meeting will be more technical in nature, while the second meeting will be more conversational and open to stakeholders and the public.
