Hi Karen,

Thanks for helping sort this out.

If you could mail the check, that would be easiest.

Thank you again,
Joe

Joe,

We should have a check ready tomorrow for either mail or pick up. It was made out to the same as the original check payment "Katherine E W Desprez" and I am waiving any of the initial review, so it is in the amount of the original \$4000. Please let me know if you would like for us to mail it or if you want to arrange a time for pick up.

Thanks John.

Karen- can we go ahead and work on getting the permit application withdrawn?

Joe,

In order to withdraw your permit application, you will need to email the BCWD Administrator Karen Kill requesting to withdraw your permit application. At that time BCWD can start the process of returning your deposit. I have copied Karen Kill on this email.
